Correction to 'Bacteria facilitate prey retention by the pitcher plant *Darlingtonia californica*'

David W. Armitage

Biol. Lett. **12**, 20160577. (Published online 23 November 2016) (doi:10.1098/rsbl.2016.0577)

After publication, an error was found in equation (2.1); the fraction bar should end to the right of the equals sign. The corrected equation is given here

$$\gamma = \frac{gD_e^2\Delta\rho}{H} \quad (2.1)$$
