Data and Material Sharing

Tissue samples from this analysis have been deposited at the New York State Museum Laboratory for Conservation and Evolutionary Genetics, in accordance with the funding supplied by New York States Biodiversity Research Institute. Requests for materials can be sent to jcryan@mail.nysed.gov. DNA extractions and genotyping data is available from the Clark Laboratory at San Diego State University. Request for data can be sent directly to Rulon Clark at rclark@sciences.sdsu.edu. Requests for biological materials can be made with a Material Transfer Agreement through the Division of Research Affairs at San Diego State University at: http://www-rohan.sdsu.edu/~gra/grad/research/mta.html.
